Subject: Coutts situation
Date: Saturday, January 29, 2022 6:31:00 PM

Dear Minister,
Earlier today I sent you an email thanking you for the peaceful resolution of the border blockade, but obviously I jumped the gun. The protestors have blocked the highway and entrance into our Village and all traffic north and south has ceased. As this is a vital lifeline for Alberta with daily imports and exports I would hope there will be some action soon under the Critical Infrastructure Act to rectify this situation.

Thank You
Jim Willett
Mayor Village of Coutts
